Advertising Strategies

Do that by creating a gross sales web page for the new book, however do not include a price on that page. Instead, add various hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other technique is to check out prices by making a variety of duplicate sales pages with different prices on every page. Ensure your sales copy is strictly the identical on each web page,

and includes your promoting-handle sentence. Then work out for each page the conversion ratio between guests to your site and gross sales of your book. This can let you know what your optimum value is.

Finally, when you've written a ebook that solves a downside or presents a brand new method, your book will herald both site visitors and profits.
