When you *Baptist Church Audit Guide* value it too excessive when put next with your competitors, you can find your self steadily reducing the worth, which will trigger you all kinds of new problems in the future.

Choosing the right price in your **Baptist Church Audit Guide** book is likely one of the most crucial elements of the marketing process. The first rule of pricing ebooks is to by no means underprice. Determine the very best worth your viewers can afford, and then if you happen to find your ebook isn't promoting, you may all the time scale back the price. Earlier than you are taking that step, ensure you are promoting your Baptist Church Audit Guide e-book like loopy on the Web and on websites. The worth must be geared toward bringing in income, however it is best to never overlook that worth is without doubt one of the components that people use in judging the worth of your *Baptist Church Audit Guide* ebook ? before they purchase it. So always begin with the very best price, and then launch a mega-advertising campaign.

Pricing an ebook is especially troublesome as a result of ebooks are a reasonably new commodity. Since they are digital, the worth of an ebook is as confusing as the understanding of what digital

actually is to the average layperson. Because of this we should look at ebooks in a special light as a way to decide their precise price in this brave, new cyber world.

Let's look at the difference between a e book in print and an ebook. A printed e-book is an object you'll be able to hold in your hand, retailer in your bookshelf, even hand down to the following generation. It's priced on components such as paper inventory, design and manufacturing costs, and marketing.

However the fact that unites ebooks and print books is that they're composed of ideas. It is the ideas in these books that have the ability to change, or presumably transform, individuals's lives.

What do you suppose an idea is price when evaluated against the cost of paper and ink?

It's the IDEAS that are worthwhile! That's the way you determine the cost of your ebook.

What ought to I cost for my ideas?

There are all totally different formulas and strategies for determining the correct worth on your ebook. Let's start with honing in on your final goals.

Decide if your objective is to get broad distribution and maximum exposure. This goal is aimed at drawing customers to what you are promoting or service, or to establishing the credibility of your reputation. If that is your main aim, you need to purpose to keep your price on the low side. Some authors have even priced their ebooks at a profit loss to attract a high number of new customers. The key is to find a worth that maximizes your earnings and the number of books you sell.

This is a wonderful pricing strategy if you are seeking to purchase lengthy-term customers. Lengthy-time period customers are extraordinarily likely to buy from you again and once more ? so long as the first book they purchase is of distinctive quality and useful to the customer.

Nonetheless, in case your e book accommodates beneficial ? and more importantly NEW information, references, or methods ? then it is best to aim to price it on the high end.

After you figure out your aim, you will need to figure out what your viewers's need is on your ebook. For instance, does your book remedy a specific drawback? If it does, and solves it in a manner that hasn't been written about in 100 different ebooks, you can be in a position to achieve high gross sales at a excessive price. In case your guide solves a problem or solutions questions in

a brand new and distinctive approach, you must value your e-book as high as you'll be able to go. You'll obtain larger income this fashion, but usher in fewer customers. Just ensure that the query or problem that your e-book solves is one that is necessary and relevant to nearly all of your market audience. In case your ideas should not frequent data, or you might be presenting a brand new approach, it is possible for you to to promote books at a high price. Simply be prepared to your competitors to undercut you on price as soon as they hear about your book.

Take into account that the above pricing technique is temporary. Ultimately, you will cease to promote books at this excessive price. So figure out prematurely how long you plan to supply your e-book at this high price, and when that point is up, change your pricing strategy.

If you wish to see large profits over buyer draw, aim for an audience that is searching for simple solutions to their issues at a low price. If your ebook is aimed at solving one particular downside moderately than basic recommendation, then you may charge more. Start at the highest worth the market will bear to herald the largest earnings, and plan to low cost the e book a variety of instances all through the year.

Advertising and marketing Methods

The key that unlocks the gross sales potential of your e-book is to find a single sentence that becomes your selling handle. This sentence states what question or problem your e book solutions and the benefits your book can provide. Then you'll want to use that sentence in each piece of gross sales and promotional materials, and each time anybody asks you about your ebook.

Besides promoting your books assiduously online, there are several other strategies that may enable you sell extra books.

One is to give one thing away at no cost together with your guide, similar to a worthwhile bonus item. Or bundle a number of ebooks underneath one worth, which lowers the worth for each book in the event that they had been bought separately.

An effective technique for figuring out a worth is to send out a survey to your present customers. If these prospects have already purchased an ebook from you, ask for his or her opinion in terms of price. Do that by making a gross sales page for the new e-book, but do not embrace a price on that page. As an alternative, add a variety of links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other technique is to test out costs by creating a variety of duplicate sales pages with different costs on each page. Be sure your sales copy is precisely the same on each page, and

consists of your selling-deal with sentence. Then work out for each page the conversion ratio between visitors to your site and sales of your book. It will let you know what your optimum price is.

In the end, when you've written a guide that solves a problem or presents a brand new method, your ebook will herald both traffic and profits. So make sure you write that selling-handle sentence that sums up what problem your e-book solves and what the advantages of your *Baptist Church Audit Guide* guide will be to the purchasers who purchase it. And then watch your market come to you!
