Advertising Strategies

The key that unlocks the gross sales potential of your e book is to find a single sentence that becomes your selling handle. Another technique is to test out costs by making a variety of duplicate sales pages with completely different costs on every page. Ensure that your sales copy is precisely the same on each page, and

includes your selling-handle sentence. Then figure out for each web page the conversion ratio between visitors to your site and sales of your book. This may let you know what your optimum price is.
