Do that by creating a sales web page for the new ebook, however do not embrace a worth on that page. As a substitute, add numerous hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another technique is to test out prices by making a number of duplicate gross sales pages with different costs on each page. Make certain your sales copy is precisely the similar on each web

page, and includes your selling-deal with sentence. Then determine for every page the conversion ratio between guests to your site and sales of your book. This will let you know what your optimum worth is.

In the end, if you've written a book that solves a drawback or presents a brand new method, your e-book will herald each site visitors and profits.
