An effective method for determining a price is to send out a survey to your present customers. If these prospects have already bought an ebook from you, ask for their opinion in terms of price. Do this by creating a gross sales page for the new ebook, however don't embrace a worth on that page. As an alternative, add a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another technique is to test out costs by making a number of duplicate gross sales pages with different prices on every page. Be sure your sales copy is precisely the same on every page, and

includes your promoting-deal with sentence. Then work out for each page the conversion ratio between visitors to your site and sales of your book. This can inform you what your optimum value is.
