price. In case your book solves a problem or answers questions in a new and unique means, it is best to worth your e book as high as you may go. Begin at the highest value the market will bear to bring in the largest earnings, and plan to discount the e-book a variety of occasions all through the year.

Instead, add quite a few links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Another technique is to check out prices by creating a number of duplicate sales pages with totally different prices on every page. Make sure that your sales copy is precisely the same on each web page, and consists of your promoting-deal with sentence. Then figure out for every web page the conversion ratio between visitors to your site and sales of your book. This will let you know what your optimum price is.

Ultimately, for those who've written a ebook that solves a downside or presents a new approach, your ebook will bring in each visitors and profits.
