As a substitute, add quite a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other technique is to test out costs by creating a variety of duplicate gross sales pages with different prices on every page. Be sure that your gross sales copy is strictly the similar on every

web page, and contains your selling-deal with sentence. Then figure out for each page the conversion ratio between guests to your site and sales of your book. It will tell you what your optimum worth is.

Finally, in the event you've written a book that solves a drawback or presents a brand new approach, your e book will herald each traffic and profits.
