sales and promotional material, and each time anybody asks you about your ebook.

Besides promoting your books assiduously on-line, there are several different methods that may make it easier to promote extra books.

An effective method for figuring out a worth is to send out a survey to your present customers. If these clients have already purchased an ebook from you, ask for his or her opinion when it comes to price. Do that by creating a gross sales page for the brand new ebook, however do not embody a price on that page. Make sure that your sales copy is precisely the identical on every web page, and contains your promoting-deal with sentence. Then determine for each web page the conversion ratio between visitors to your site and sales of your book. This will let you know what your optimum value is.
