If these clients have already bought an e-book from you, ask for their opinion when it comes to price. Do that by creating a gross sales page for the new guide, but don't embrace a price on that page. As

an alternative, add a number of links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another technique is to test out costs by making a number of duplicate gross sales pages with totally different costs on each page. Be certain that your gross sales copy is precisely the identical on every web page, and includes your promoting-handle sentence. Then work out for each web page the conversion ratio between guests to your web site and gross sales of your book. This can inform you what your optimum worth is.

In the end, for those who've written a book that solves a downside or presents a brand new method, your e-book will bring in both traffic and profits.
