One other strategy is to test out costs by making a variety of duplicate sales pages with different prices on every page. Be certain your gross sales copy is precisely the same on every page, and contains your selling-handle sentence. Then work out for every web page the conversion ratio between guests to your web site and gross sales of your book. This can inform you what your optimum value is.

Finally, should you've written a ebook that solves a problem or presents a brand new method, your e book will bring in both site visitors and profits.
