Do that by making a gross sales web page for the brand new ebook, but don't include a price on that page. As an alternative, add quite a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other strategy is to test out prices by making a variety of duplicate gross sales pages with completely different costs on every page. Be sure your gross sales copy is strictly the similar on

every page, and contains your promoting-deal with sentence. Then figure out for each web page the conversion ratio between visitors to your site and gross sales of your book. This will let you know what your optimum price is.
