If these customers have already bought an ebook from you, ask for their opinion when it comes to price. Do that by creating a sales page for the new guide, but do not embrace a value on that page. As an alternative, add a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other technique is to test out prices by creating a number of duplicate sales pages with totally different costs on each page. Make sure that your gross sales copy is exactly the identical on each web page, and includes your selling-deal with sentence. Then determine for every page the conversion ratio between guests to your website and gross sales of your book. This can inform you what your optimum worth is.
