sales and promotional materials, and each time anybody asks you about your ebook.

An effective technique for determining a value is to send out a survey to your present customers. If these clients have already purchased an ebook from you, ask for their opinion in terms of price. Do this by making a gross sales page for the brand new guide, but don't include a value on that page. Instead, add a lot of hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other strategy is to test out costs by creating a number of duplicate gross sales pages with totally different prices on every page. Be sure your gross sales copy is precisely the same on every web page, and contains your selling-handle sentence. Then determine for every web page the conversion ratio between visitors to your site and gross sales of your book. This will let you know what your optimum value is.

Finally, if you've written a e book that solves a problem or presents a new method, your guide will bring in each traffic and profits. So be sure to write that selling-handle sentence that sums up what downside your guide solves and what the benefits of your 1910 book will likely be to the shoppers who purchase it.
