substitute, add plenty of links to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another strategy is to test out prices by creating a variety of duplicate gross sales pages with totally different costs on each page. Ensure your gross sales copy is strictly the same on every web page, and includes your promoting-handle sentence. Then figure out for every page the conversion ratio between visitors to your web site and sales of your book. This can tell you what your optimum price is.

Ultimately, if you've written a e book that solves a drawback or presents a new technique, your e-book will herald both visitors and profits.
