As an alternative, add numerous hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another strategy is to check out costs by creating a number of duplicate gross sales pages with completely different prices on every page. Be certain that your gross sales copy is strictly the

similar on each web page, and consists of your selling-deal with sentence. Then determine for every web page the conversion ratio between guests to your site and gross sales of your book. It will tell you what your optimum price is.

In the end, should you've written a ebook that solves a drawback or presents a new technique, your book will bring in each traffic and profits.
