price. Do that by making a gross sales page for the new book, however do not embody a value on that page. As an alternative, add various hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other strategy is to check out costs by making a number of duplicate gross sales pages with different costs on each page. Be sure your sales copy is exactly the same on every web page, and consists of your selling-handle sentence. Then work out for each web page the conversion ratio between visitors to your web site and gross sales of your book. This can inform you what your optimum value is.

In the end, in the event you've written a book that solves a downside or presents a brand new technique, your guide will usher in both traffic and profits. So remember to write that selling-handle sentence that sums up what downside your e-book solves and what the benefits of your 313 guide will probably be to the purchasers who buy it. And then watch your market come to you!
