After you determine your purpose, you must figure out what your viewers's need is to your ebook. For instance, does your ebook remedy a specific problem? If it does, and solves it in a approach that hasn't been written about in 100 other ebooks, you may be in a position to achieve high gross sales at a excessive price. In case your guide solves an issue or answers questions in a brand new and unique way, it is best to price your ebook as excessive as you can go. You'll achieve bigger profits this way, however usher in fewer customers. Start at the highest worth the market will bear to herald the largest profits, and plan to low cost the e-book a variety of instances all through the year.

As an alternative, add plenty of hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other strategy is to check out costs by creating a variety of duplicate sales pages with different prices on each page. Ensure your sales copy is exactly the similar on each page, and

consists of your selling-handle sentence. Then work out for every web page the conversion ratio between visitors to your web site and gross sales of your book. This can tell you what your optimum worth is.

Ultimately, if you've written a e book that solves a problem or presents a new technique, your e-book will usher in each traffic and profits.
