As a substitute, add plenty of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another technique is to check out prices by creating a number of duplicate gross sales pages with totally different costs on every page. Make sure your gross sales copy is precisely the similar on

each web page, and contains your promoting-deal with sentence. Then determine for every page the conversion ratio between visitors to your web site and gross sales of your book. It will inform you what your optimum value is.

In the end, when you've written a ebook that solves a problem or presents a new technique, your ebook will herald both traffic and profits.
