The key that unlocks the sales potential of your book is to find a single sentence that becomes your promoting handle. This sentence states what question or downside your book solutions and the benefits your e book can provide. Then make sure you use that sentence in every piece of gross sales and promotional material, and each time anyone asks you about your ebook.

Besides promoting your books assiduously on-line, there are several other strategies that can aid you sell more books.

One is to present something away for free together with your guide, reminiscent of a useful bonus item. Or bundle several ebooks under one value, which lowers the value for each e-book if they have been sold separately.

An efficient technique for figuring out a worth is to ship out a survey to your present customers. If these clients have already bought an e-book from you, ask for their opinion when it comes to price. Do this by making a gross sales page for the brand new ebook, however do not embrace a value on that page. Instead, add plenty of hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another strategy is to check out costs by creating a variety of duplicate gross sales pages with different costs on every page. Make sure that your sales copy is precisely the identical on each web

page, and includes your promoting-handle sentence. Then figure out for every web page the conversion ratio between visitors to your web site and gross sales of your book. This may inform you what your optimum value is.

Ultimately, should you've written a ebook that solves a problem or presents a new method, your guide will herald both visitors and profits. So you'll want to write that selling-handle sentence that sums up what downside your book solves and what the benefits of your 714 e-book might be to the customers who buy it.
