If these customers have already purchased an book from you, ask for his or her opinion when it comes to price. Do that by creating a sales web page for the new book, but don't include a value on that page. As a substitute, add a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other strategy is to check out costs by creating a variety of duplicate sales pages with different costs on each page. Make certain your gross sales copy is strictly the similar on every web page, and includes your promoting-handle sentence. Then work out for each page the conversion ratio between guests to your website and gross sales of your book. This may inform you what your optimum worth is.

Ultimately, in case you've written a guide that solves a drawback or presents a brand new method, your e-book will bring in both visitors and profits. So make sure to write that promoting-deal with sentence that sums up what problem your e-book solves and what the benefits of your 909 guide might be to the purchasers who purchase it.
