Do this by creating a sales web page for the new e book, however don't embrace a value on that page. As an alternative, add a lot of links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another technique is to test out prices by creating a number of duplicate sales pages with completely different costs on every page. Be sure your sales copy is strictly the similar on every page, and consists of your promoting-deal with sentence. Then figure out for each web page the conversion ratio between visitors to your web site and gross sales of your book. It will let you know what your optimum value is.

Ultimately, for those who've written a book that solves a drawback or presents a brand new method, your e-book will usher in each visitors and profits.
